a GOZNEY ROCCBOX PIZZA OVEN POA

The restaurant-grade portable pizza oven for your garden. Cook restaurant quality pizza at home with Roccbox, designed for ease of use and unrivalled performance. Take Roccbox anywhere with its retractable legs, detachable burner and built-in thermometer. Enjoy unrivalled cooking results created by a thick stone floor, dense insulation and a unique rolling flame, reaching a whopping 500 °C.

Roccbox comes with a propane gas burner as standard, and the option to buy a detachable wood burner if you choose dual fuel. Host pizza parties with the family friendly option. Roccbox's safe-touch silicone jacket reduces the risk of skin burns that can often occur with metal bodied ovens. Engineered to replicate the performance of Gozney's professional ovens, used by leading chefs and restaurants all over the world.

Available in 3 sleek colour designs: Black, Olive & Grey.

b GOZNEY ROCCBOX TURNING PEEL POA

Designed specifically for use in Roccbox, the Turning Peel is made for the simple management of pizza and baked goods. After using the Roccbox Pizza Peel to place fresh pizza inside Roccbox, utilise the Roccbox Turning Peel to slide and turn the pizza simply and easily whilst cooking. Incorporating a slimline, circular surface, the peel fits easily beneath a partially cooked dough base, enabling the gentle turning or manoeuvring of baked goods within the oven.

170mm head Diameter and 320mm handle.

c GOZNEY ROCCBOX PIZZA PEEL POA

Designed specifically for use in Roccbox, the Pizza Peel is a professional grade, lightweight peel for the placement of dough and cooking trays in and out of Roccbox. Made from aluminium with a hard anodised finish, this peel is designed exactly the same as larger, commercial use pizza peels.

Tapered on one edge for easy access beneath baked goods or pans, the Roccbox Pizza Peel includes perforations to enable excess flour to fall away when making fresh pizza. The perforations also assist in allowing steam to escape from cooked baked goods, resulting in a crispier base. The non-stick surface is perfect for smooth transition between the peel's surface and the hot stone floor.

305mm x 360mm head dimensions and 125mm handle.

d GOZNEY INFRARED THERMOMETER POA

Know exactly when your pizza oven's thick stone floor is ready to cook a perfect pizza, with the Gozney Infrared Thermometer. Wireless, precise and efficient you'll never be left guessing when the perfect cooking temperature has been reached.

For the perfect pizza - which can cook in just 60 seconds in a Gozney oven - we recommend 400-500°C. Never be left guessing again!

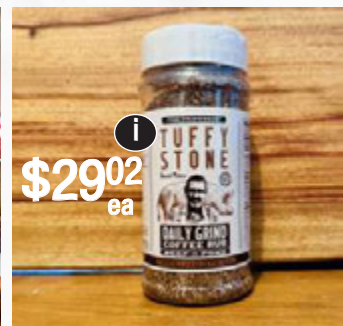

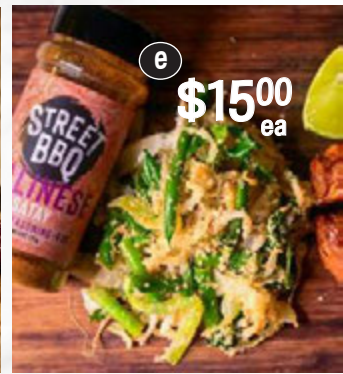

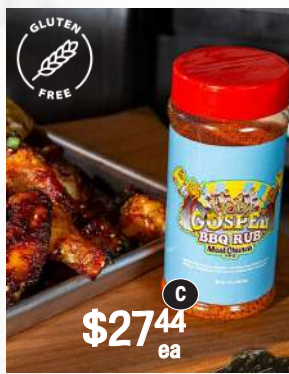

- e GOZNEY DOME PIZZA OVEN POA**
 Make wood-fired cooking easy with the Dome, the world's most versatile outdoor oven. Enjoy a professional grade outdoor oven engineered to work effortlessly for beginners and exceptionally for chefs. Roast, smoke, steam or bake. Super fast or low and slow. A wood-fired adventure, every time, The Dome is the only investment you need to make in your garden.
 Oven external dimensions: 660mm H x 630mm D x 732mm W
 Available in 2 sleek colours: Bone & Olive.
- f GOZNEY TURNING PEEL POA**
 Designed for use in a variety of oven sizes, the Turning Peel is perfect for repositioning food in your Dome. Incorporating a slimline and circular stainless steel surface, with a weighted handle that can be grasped with both hands, the peel fits easily under a partially cooked dough base, giving the user maximum control over the peel and food in the oven.
 170mm head diameter and 880mm handle.
- g GOZNEY DOME S1 PIZZA OVEN POA**
 Dome S1 packs the iconic performance and intuitive design of the Dome into a streamlined, propane gas-fueled package to elevate any backyard. Dome S1 makes it easier than ever to get straight to making restaurant-quality pizza. With the quick-start rolling flame, intuitive controls, and built-in precision temperature gauge it's easy to experience the joy of high-temperature cooking all through a backyard centerpiece.
 Oven external dimensions: 634mm H x 628mm D x 730mm W
- h GOZNEY DOME & DOME S1 STAND POA**
 The Dome Stand is simple to assemble, built to last and easy to manoeuvre. Making it easy to add your Dome to any backyard setup. The Dome is a perfect fit for a standard outdoor kitchen countertop. For a more flexible free-standing setup, the Dome Stand is for you.
 Designed with cooking on the Dome in mind, your oven securely connects to the stand with an easy turn fastener and sits at the perfect height for cooking. The bamboo shelves, hanging hooks and adjustable wings are built in for convenience while the four large wheels make it easy to move your oven around your backyard.
 Compatible with both the Dome & Dome S1.

a PK GRILLS AARON FRANKLIN EDITION \$1489.23
